~ III ~

A couple in formal attire stands on a balcony at night, looking out at a city skyline. The man is wearing a light-colored suit, and the woman is wearing a long, flowing white dress. They are standing close together, with the man's arm around the woman. The balcony is furnished with a small table, a chair, and some potted plants. The city skyline in the background is illuminated with many lights, creating a bokeh effect. The sky is dark blue.
